DARING DEMOCRACY
IGNITING POWER, MEANING, AND CONNECTION FOR THE AMERICA WE WANT
WITH FRANCES MOORE LAPPÉ

KRESGE TOWN HALL
MONDAY FEBRUARY 26TH @ 7:00PM

Frances Moore Lappé is a food activist, author and recipient of the Right Livelihood Award - known as the Alternative Nobel Prize - “for revealing the political and economic causes of world hunger and how citizens can help to remedy them.” Her three-million copy Diet for a Small Planet (1971) was described as “one of the most influential political tracts of the times” by the Smithsonian’s National Museum of American History.

Join her for a presentation, discussion and book signing about her newest book Daring Democracy. The authors, Lappé and Eichen, discuss the history of democracy in America. They ask readers to consider efforts which have robbed Americans of their rightful power, and introduce courageous solutions in the daring fight for democracy.
