Challenging prevailing notions of Latino machismo, sexism, and homogeneity, this book demonstrates how education, life experiences, and exposure to feminist ideas are changing the norms, values and perceptions of young Latino men and their communities.

Join us for a talk on Dr. Aida Hurtado and Dr. Mrinal Sinha’s newly released book Beyond Machismo: Intersectional Latino Masculinities. Long considered a pervasive value of Latino cultures both south and north of the US border, machismo—a hypermasculinity that obliterates any other possible influences on men’s attitudes and behavior—is still used to define Latino men and boys in the larger social narrative. Yet a closer look reveals young, educated Latino men who are going beyond machismo to a deeper understanding of women’s experiences and a commitment to ending gender oppression. This new Latino manhood is the subject of Beyond Machismo.

Hurtado & Sinha’s book Beyond Machismo(2016) will be for sale on site.

Monday, May 9th, 12-1:30pm
Namaste Lounge, College Nine, UCSC

Light refreshments will be served.
