

Quality First Coding Contest

What?

A programming contest, but with a twist!
Scoring is by number of compiles/runs instead of speed.

Who (is welcome)?

Anyone who wants to program!
The contest is designed so that anyone
with basic programming skills can compete fairly.

When?

Monday, April 27
11am - 1pm

Where?

E2-180
The big hall in Engineering 2

Why?

For the love of programming!
... Also, monetary prizes for top 3.
... Also, free food!

How?

Just show up with your laptop
and ready to program!
See the QR code for details.
